

MATERIALS DECLARATION

CHT srl, declares that the pipes and fittings d.25, red colour, supplied, are produced in ABS.

This material can be used from -40°C to $+60^{\circ}\text{C}$, for use under pressure it is important that the customer communicates the usage value to us.

Very important: below the temperature of 0°C , consider that The fluid contained inside can freeze, thus damaging the product, in this case we cannot accept any responsibility for any damage to things or people.
